Initial Fitting: For a professional fitting, please visit a tailor, menswear or tuxedo specialist near you. Bring this form when you get measured. Ask the specialist to complete the information in the box above. A professional fitting is the key to a tuxedo that fits well and feels great! Please complete your personal information.

Submit Measurements: Forward your measurements to the Sarno & Son location coordinating your event, or pass them on to the bride and groom. Be sure to include a deposit.

Final Fitting: Please try-on your tuxedo on your scheduled pick-up date, usually the day before the wedding. This is considered to be a final fitting, and adjustments may be necessary. Please allow ample time so that we may provide the best fit for your garments. I.D. is required to pick-up your tuxedo. Most Sarno & Son retailers do not accept out-of-state checks for final payment. Remember, accurate measurements from a professional initial fitting lead to a stress-free pick-up!

Please Note: We cannot be held responsible for measurements not performed in our store. We will do everything possible to make necessary corrections; however, special freight charges may apply.
